Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the State Route 13 Relocation to South Sandusky St in fiscal year 2024. The entity to receive this funding is the City of Mount Vernon located at 40 Public Square, Suite 206 Mount Vernon, Ohio 43050. The funding would be used to create a direct route for traffic utilizing SR 13 throughout the city. The project is an appropriate use of taxpayer funds because it will greatly improve the safety of the SR 13 corridor, reduce congestion along the roadway, improve the efficiency of freight movement throughout the city, and enhance the pedestrian environment for the downtown business district.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Troy Balderson
